**Angelo Creo**, aka Bob, is an attorney specializing in dispute resolution. He is the creator and principal of Steel City Storytellers, LLC. Angelo tells stories about his own life experiences— the wacky, the weird, and the wonderful. He started Steel City Storytellers to give storytellers in the Pittsburgh region as a platform to share stories.

**Job Bedford** is a Lead Robotics System Engineer on Lawrenceville's Robotics Row. He's worked for NASA, Walt Disney Imagineering, Carnegie Mellon University, & Ready Robotics. He is full of outlandish tales of inventions gone awry and the mis-adventures of his technological journeys. After years of telling campfire stories and dinner tales, he is eager to captivate audiences with unique and gripping stories from his life as a roboticist, break-dancer, and skater-of-the-streets.

**Jus Janell** has been performing stand-up comedy since 2017. She opened her own comedy club in Swissvale called the Giggles & Grub Club - the Only Pop-Up Comedy club in Pittsburgh! She has traveled to other cities to perform stand up, including New York and Detroit. Janell loves to perform magic and has her line of eyewear called Jus Shades.

**Tyler Ray Kendrick** is a stand-up comic and performer and a fighter for human rights. Mr. Tall, dark and grandson himself. He's a lover and a fighter. A lover and fighter for human rights. Just a Gen Xer trapped in a Millennial's body.

**Prabha Sankaranarayan** is the President and CEO of Mediators Beyond Borders International. She is a conflict transformation practitioner who has mediated, facilitated and trained in Europe, Asia, Africa and the USA. Prabha is involved in regional, national and international civic activities focused on civil liberties, violence prevention, conflict mitigation & mediation and the recovery and rehabilitation of trauma survivors.

**Todd Shaffer** decided to try the terrifying world of open mic storytelling after years of writing and illustrating greeting cards. That led to telling stories at The Moth, WordPlay, RISK!, True Story Time, Drinking Stories and others. He has won multiple Moth StorySlams in Pittsburgh and Michigan and his stories have appeared on the Moth Radio Hour and the RISK! podcast.
